

## Inorganic and Physical Chemistry Department

Ph. D. Admission 2020-21

### *Provisional list for admission to the Ph. D. Programme*

(13 July 2020)

Both lists below have been arranged according to the application numbers and they are not merit lists. These students will be recommended for admission in the Inorganic/Physical/Theoretical Chemistry streams based on their first choice given. Final approval from the Dean is required for admission to IISc. The waitlist will be operated in the Inorganic Chemistry and Physical Chemistry streams based on the choice given by students.
